### Editorial

Welcome to the October Newsletter and the many events on offer.

Our current membership is such that we are able to welcome a few **new members to join**. If you know of anyone who might be interested please have a word with them, invite them along to a meeting and they can see if it's for them. Members are reminded that they are welcome to bring along a guest to a maximum of three meetings in a year, at a charge of £2.00 each, or £4.00 if it is a wine tasting. Please note that it is **the responsibility of the accompanying member to pay the guest fee**, to Perpetua or any other committee member.

Would all existing members please advise Perpetua of any changes in their personal details if different from last year's, particularly e-mail addresses. And new members please make sure Perpetua has your up-to-date contact details (including correct post code).

Many thanks to Rob for our vintage Orient Express journey discovering the wines as we chugged along. A most enjoyable evening, with a great turnout of members and a chance to taste wines we may not have tried before.

### **Walk around Lymm.**

The walk was lead by Sian who along with five other members enjoyed the sunshine followed by a visit to a pub.

**If anyone** is interested in **leading a walk** on the Sunday following a meeting **please contact Sian Quick.**

### **Garrick.**

PRE- XMAS PROGRAMME The Garrick's usual varied and unfailingly entertaining programme!

Let me know about this first - I will come back to you later re Post Xmas

17TH OCTOBER "The 39 Steps" by John Buchan. New version - a FARCE!?! a cast of FOUR!?! The film's serious spy story is played mainly for laughs! Try it!

14TH November "The Winslow Boy" by Terence Rattigan. More conventional, serious story, based on a real-life legal case - a father's attempt to prove that his son has been falsely accused - an utterly compelling piece of theatre.

28TH November "See How They Run" by Philip King. All the ingredients for a classic British comedy. Still very funny!

MONDAY 23rd January - "Sherlock Holmes - The Final Case" - by Sir Arthur Conan Doyle.

MONDAY 27th February - "Our House" - by John Godber. A compelling reflection of what life is like for Northern working-class people. Script brilliant; every bit as funny as "Last of the Summer Wine", as gritty as "Coronation Street" in the sixties and as poignant as "Blood Brothers".

MONDAY 26th March - "Rebecca" - Daphne de Maurier. A classic story which unfolds to a dramatic conclusion.

MONDAY 30th April - "Hobson's Choice" - Harold Brighouse. "Heart-warming classic, morality tale".

**Rita.**
